Profile

I have been working with people with many different backgrounds, cultures, ages, and levels. It gives me some experiences to communicate easily with people, even though I also enjoy being with myself only. I like being responsible, enjoy the challenge of new situations, and derive much pleasure from improving my abilities. I like to collaborate, contribute, and make a good team. I appreciate the concept of subjectivity, therefore I am keen on knowledge-sharing as well.

Experience

ASIAN DEVELOPMENT AND OUTREACH COORDINATOR, WOMEN ON WEB INTERNATIONAL FOUNDATION; JAKARTA - 2015—present

I am responsible to build network, do researches, and advocacy for Women on Web International Foundation activities in Asia. I also reply to worldwide emails regarding safe abortion help requests.

LECTURER, SEKOLAH TINGGI HUKUM INDONESIA JENTERA (INDONESIA JENTERA SCHOOL OF LAW); JAKARTA - 2016—present

I am responsible in making syllabus and teaching the subjects of Indonesian Languages, Laws in Society (particularly in public space issue and gender issue), and Academic Capacity.

CREATIVE MEDIA MANAGER, PUSAT STUDI HUKUM DAN KEBIJAKAN (INDONESIAN CENTRE OF LAW AND POLICY STUDIES); JAKARTA - 2009—2017

I was responsible to “recreate” the researches and data for public use. I also lead the creative media division to manage internal knowledge for the organization. Beside that, I also proofread all publications. One of the creative media’s product is LAWmotion; a way to spread the law issues in a different way, such as graphic recording.

RESEARCHER, PUSAT STUDI HUKUM DAN KEBIJAKAN (INDONESIAN CENTRE OF LAW AND POLICY STUDIES); JAKARTA - 2010—2017

Beside doing the researches in relation to gender and public space, I often contributed in Legislative Drafting Training. As a facilitator, I involve in some publication as a writer, trainings as a facilitator, and drafting assisting.
